Office Memorandum • UNITED STATES GOVERNMENT

TO : Director of Training

DATE: MAR 31 54

FROM : AC/PRS/OTR

SUBJECT: Agency Procedures for Liaison

1. In accordance with your note on the attached, dated 22 March, I have looked into Agency procedures for liaison control and am quoting below the pertinent passages from CIA Regulation [REDACTED]

25X1A

25X1A

2. CIA Regulation No. [REDACTED], dated 4 May 1951, states that:

"The Assistant Director for Collection and Dissemination shall be responsible for the control of liaison with government agencies in the Washington Area except as indicated in paragraph F, I, and J."

Paragraph F States that: "The establishment and maintenance of operational liaison with the Department of State and the Department of Defense and its components shall be decentralized and shall become the individual responsibility of the Assistant Directors as the proper discharge of their respective functions may require. They will exercise a degree of control which will ensure:

- (a) Strict observance of Agency security regulations;
- (b) Avoidance of undesirable duplication of liaison;
- (c) Observance of liaison control procedures satisfactory to these agencies;
- (d) Registration with OCD of finished documents and materials interchanged."

Paragraph G states in substance that OCD will continue to serve as the information center to which all inquiries both from inside and outside the Agency are addressed as they pertain to operational liaison and channels in general.

3. It would appear to me that this Regulation adequately covers a situation of this kind; that its provisions were complied with; and that [REDACTED] was appropriately security cleared prior to [REDACTED] carrying out your instructions. However, there appears to be a requirement that a list of documents and materials provided [REDACTED] be registered with OCD.
